

**The Foster Care and Adoptive Association of Oklahoma has partnered with the OKDHS to award computers to Oklahoma Bridge Resource families.**

The computers are for families who have adopted through OKDHS or who are active Resource Families. The availability of computers varies throughout the year and not all requests may be fulfilled. Computers are to be returned to FCAO once they are no longer needed or wanted. The computers cannot be sold, given away or thrown away. Each receiving family must sign a statement to this agreement. NOTE: Each computer is numbered and OKDHS will keep record of the recipient of each computer.

If you are interested in receiving or nominating someone for a computer provide the following information:

- Resource family name
- Resource family contact (phone, e-mail, address)
- Nominating person's contact (phone, e-mail)
- Description of the need for a computer and its use

Selection of computer recipients may be chosen according to:

- the families need
- the benefit to the family
- number of people impacted

Receiving computers

Computers will be delivered to the local OKDHS County office. Resource families will be required to provide a six-month report regarding the use and impact of the computer to the family.

All nominations and requests are to be submitted to:
